A Sample Brand Project

THE MOON CAFE

Social Media Marketing & Brand Strategy

Building a memorable café brand through content, community and digital experiences.

Prepared by: Poonam Kharol

THE MOON CAFE

Executive Summary

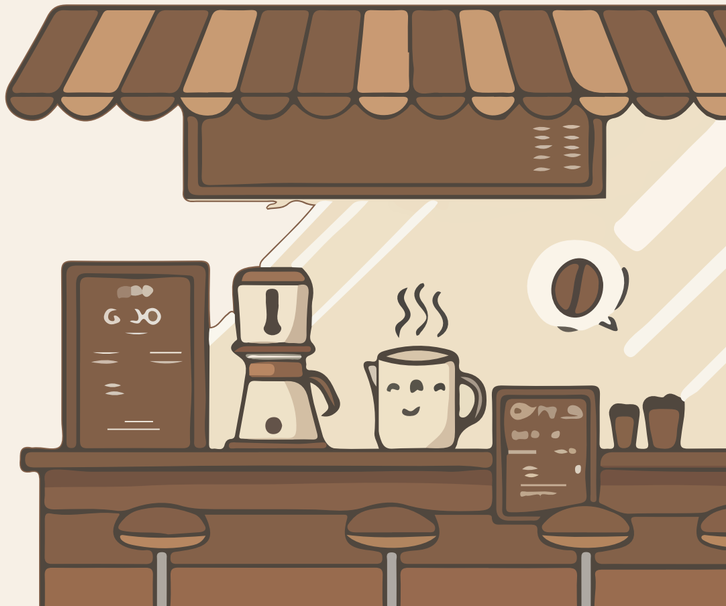
THE MOON CAFE is a fictional café brand created to demonstrate a practical social media marketing strategy for a modern, welcoming café.
This project focuses on building brand awareness, improving audience engagement, showcasing café products, and encouraging local customers to visit through Instagram content and digital marketing activities.

Objective
Build awareness and customer interest.

Main Platform
Instagram.

Key Focus
Content, engagement and local reach.

Duration
30-day sample campaign.



BRAND OVERVIEW

The Moon Cafe — A little pause in your busy day.

The Moon Cafe is a fictional, modern café concept designed for people who enjoy quality coffee, comforting food, and welcoming spaces to relax, work, or connect with others.

OUR MISSION

To make everyday coffee moments special through quality beverages, comforting experiences, and friendly service.

OUR VISION

To become a favourite local café known for its cosy atmosphere, memorable coffee, and sense of community.

UNIQUE SELLING POINT (USP)

More than coffee — a place to feel at home.

A welcoming café experience combining quality coffee, cozy surroundings, and everyday moments worth sharing.

TARGET AUDIENCE

KEY AUDIENCE INSIGHT

People don't visit cafés only for coffee; they also seek atmosphere, convenience, and experiences worth sharing.

1. Students

- Affordable drinks and snacks
- Study spots and hangout spaces
- Instagram-worthy café experiences

2. Young Professionals

- Coffee breaks and casual meetings
- Comfortable workspaces
- Quick and convenient service

3. Coffee Lovers

- Quality beverages and new flavours
- Café recommendations
- Seasonal drinks and product launches

4. Friends & Couples

- Casual meetups and weekend visits
- Relaxed social experiences
- Sharing food and memorable moments

AUDIENCE PROFILE

Age group: 18–35 years
Location: People living, studying, or working nearby
Interests: Coffee, food, lifestyle, and social experiences
Primary platform: Instagram

HOW WE REACH THEM

Use Reels for discovery, Stories for daily interaction, carousels for useful content, and location tags to improve local visibility.

BREWING CONNECTIONS

ONE POST AT A TIME.

THE PLAN MOVING FORWARD

01 — Create Consistently
Follow the 30-day content calendar with a mix of reels, carousels, photos, and stories.

02 — Build Community
Encourage comments, respond to messages, and create content that customers want to share.

03 — Measure & Improve
Review Instagram Insights weekly and improve the strategy based on performance.

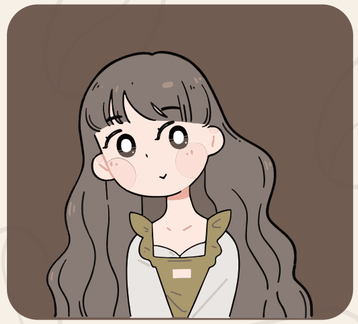
Siya

“Hey! I really want to have coffee somewhere. Do you know a nice place?”

THE MOON CAFE

Maya

“Of course! Have you tried **The Moon Cafe?** Great coffee, cosy vibes, and the perfect place to relax.”



Siya

“That sounds perfect! Let's go there. ☕”

Thank You
